WHO WE ARE:

Nigerian WebRadio is an internet-based radio station, fashioned after the terrestrial FM radio format.

The station was established by a group of Nigerian media professionals in the Diaspora with an average broadcasting/journalism experience of over twenty years.

Nigerian WebRadio is owned and operated by Virgo Visions Media, Incorporated in the state of Texas, USA.

OUR MANDATE

Nigerian WebRadio was established with a clear mandate – to bridge the information gap between Nigerians in the Diaspora and their homeland.

And since inception, we have continued to demonstrate our commitment to the Nigerian Diaspora community through careful programming content that provides up-to-the-minute news package, quality talk shows and high profile interviews. We also pride ourselves as the only broadcast station providing 100% Nigerian music 24/7.

WHAT WE ARE

We are a professional broadcast outfit utilizing cutting-edge technologies to deliver terrestrial format of radio broadcasting and professionally packaged programs to our audience through the use of the internet.

WHAT WE ARE NOT

We are not a playlist streaming website, neither are we a network or social website. We are professional broadcasters with decade of experience in broadcasting and journalism.

PERFORMANCE

Nigerian WebRadio has continued to grow in audience and in popularity across the globe. This trend is evident in the volume of feedbacks being received on a daily basis from all over the world.

In fact, it may not be out of place to qualify Nigerian WebRadio as the most popular Nigerian media on the internet.

PROGRAMMING PHILOSOPHY

Our programs are deliberately produced to play the twin role of intimating Nigerians in the Diaspora about current events and happenings from Nigeria while also providing information to Nigerians at home on activities of their compatriot abroad.
